

TEUTONS FAIL OF OBJECTIVES AT ALL POINTS

Counter - Attacks Throw Huns Back Where Line Gives

WITH THE BRITISH ARMY IN FRANCE, May 27.—By the Associated Press.—Von Hindenburg's troops thus far have met with failure virtually at all points in their attack against the French in the Loere sector.

In the early stages the enemy succeeded in driving in the defending positions at some points, but counter-attacks threw the Germans back at most of these places and the French virtually re-established their entire line.

Launch Offensive at Dawn. The British Army in France May 27.—2 p. m.—By the Associated Press.—Launching a heavy offensive at dawn today against the French in the Loere Voormezele sector, the Germans failed of their objectives at virtually all points. At some points the defending patrols were driven in but in vigorous attacks threw the Germans back at most places.

Virtually the entire French line was re-established. Hard fighting all day continued on the northern part of the battle front, just south of Dikbusch Lake. The Germans forced their way into the French line for a distance of 300 yards and also got into the front line system at another point in this region. In both these places the enemy was clinging desperately to his newly acquired positions, but the French were dealing with the situation, which appeared to be satisfactory at the latest reports. One hundred prisoners already have been sent back to the French camps.

Today's attack was perhaps preliminary to larger operations and apparently had been undertaken for the purpose of regaining the high ground which the French wrested from the enemy May 20.

Fighting on Aisne. Berlin, May 27.—Via London.—The battle for possession of the Chemin des Dames has been raging since early morning. Troops of the German crown prince have taken the ridge by storm along the whole of its extension and now are fighting on the Aisne, according to the official statement issued by the war office tonight.

Not as Large a Scale. London, May 27.—Germany's offensive on the new front in France is not on the extensive scale of previous teuton attacks. Evening Standard says it understands. At one point in the neighborhood of Rheims, the news paper says the Germans pressed back the British troops for a short distance.

Gen. Haig's Report. London, May 27.—"On the Loere Voormezele front the French troops repulsed the enemy with great loss."

This announcement was contained in Field Marshal Haig's official report tonight.

The attack against the sector of Berry au Bac held by the British was of an intense bombardment by gas shells and the use of tanks and after heavy fighting the British on the left were pressed back to prepared positions constituting the second line.

CONSERVATORY CONCERT TONIGHT

The annual spring concert at Illinois college conservatory orchestra under direction of W. E. Kritch, assisted by Mrs. Genevieve Clark Wilson, will take place tonight at State Street church. Those who are familiar with the work of these musicians know what a splendid program is in prospect. The orchestra includes musicians of proved ability and Mr. Kritch is a director of known reputation. Mrs. Wilson's admirers grow constantly in numbers and the concert program tonight will no doubt be heard by a very large audience. The program this year is being given at the church for Trinity church. The concert was originally announced for last Tuesday but was postponed on account of the Red Cross drive.

JAY RODGERS ON WAY TO FRANCE

A telegram received yesterday by Mayor Rodgers indicated that his son, Sgt. Jay Rodgers is on the way to France. Company 108 M. I. 2nd division has been at Camp Upton, L. I., for several weeks and a recent letter indicated the company was about to start overseas. A telegram sent Sunday by Mayor Rodgers to his son was returned undelivered so the conclusion is that the men of Company 108 now have their wish for service abroad granted.

CAUGHT FOOT IN CONCRETE MIXER

John Bridgman, of Arenzville, caught his foot in a cement mixer Monday and was brought to Passavant hospital for the attention of Dr. Black. In his absence the foot was bandaged by Dr. Swope and Dr. Frank. Subsequently there was such a profuse bleeding that Dr. Frank found amputation necessary.

Mr. and Mrs. W. J. Lavin of Clinton are guests of friends in the city.

WAYNE KNIGHT INJURED IN COLLISION WITH AUTO

White Hall Boy at Our Savior's Hospital in Serious Condition as Result of Colliding With Automobile of Guy Lowenstein—Banker in Serious Condition.

White Hall, May 27.—Wayne Knight of White Hall is lying at Our Savior's hospital suffering from concussion of the brain, a triple fracture of the jaw and other injuries as the result of a collision between a motorcycle he was riding and an automobile driven by Guy Lowenstein of White Hall.

The accident occurred one half mile north of the city of Carrollton. After the collision Knight was taken to Carrollton where he was given first aid. When the extent of his injuries was ascertained he was rushed to Jacksonville in an automobile truck.

Dr. F. A. Norris was called to attend the injured man. Examination showed that the jaw had been broken in three places, and that Knight was suffering from concussion of the brain and other cuts and bruises. He was conscious and coherent and the condition is regarded as serious. It is thought that he will recover unless there are internal injuries.

When the accident occurred Knight, who was traveling north toward White Hall had turned out to pass an automobile. In the dust he did not see the approach of the car driven by Lowenstein. The Mr. Lowenstein tried to avoid the collision by turning his car into the ditch, but was unable to clear the motorcycle and Knight was struck, the front wheel of the automobile headone. The motorcycle was completely demolished.

Wayne Knight, is the son of Eugene Knight and is 18 years of age. He was a member of this year's graduating class of the White Hall high school and was popular with his fellow students and with citizens in general in his home city.

Banker in Serious Condition. John H. Graves, a prominent banker of Knoxville, Tenn., who is lying in a Jacksonville hospital in a serious condition from a carbuncle. The carbuncle is close to the spine and it was deemed best not to attempt an operation.

Dedicated Service Flag. A dedication of the community service flag was held in the park here today. The business houses closed during the ceremonies. The flag contains 124 stars.

FLAG IS PRESENTED TO STATE MILITIA HERE

Company C. Owns Handsome Silk Emblem By Courtesy of Andrew Russell—Interesting Ceremony Monday Night—Farewell to Serg. Wayman.

At the regular drill of Co. C., held last night at Armory hall, a beautiful silk flag was presented as a gift from State Auditor Andrew Russell. The very handsome emblem was presented by Horace H. Bancroft, who had been asked to perform this service by Mr. Russell. The flag was received on behalf of the company by Lieut. F. E. Farrell. It was an imposing ceremony as the men stood at attention with Capt. Vickery and Lieutenants James and Farrell in front. Mr. Bancroft with eloquent words presented the flag and it was received by Lieut. Farrell and then given to Edward Gerst, the flag bearer with Private Clyde Land and Harry Walker as the color guards.

Mr. Bancroft referred in a fitting way to the history of the stars and stripes and then mentioned Mr. Russell's long identity with the military organizations of Morgan county. He was a member of the Morgan cadets, subsequently held membership in a company of state militia and it was quite largely due to his interest that the present company was organized. Reference was also made to the fact that Mr. Russell now has two sons in the army service, one of them overseas.

Patriotic History. The speaker turned back the pages of history to refer to Jacksonville's contribution to the military life of the state and nation, for Governor Duncan was a major in the army and was at one time presented with a gold handled sword because of the bravery shown at Ft. Stevenson. The patriotic record of Governor Yates—the war governor of Illinois—is one of the bright pages in the history of the state. Turning to more recent years, Mr. Bancroft said that Mr. Russell's record had been one of unceasing patriotism and that today he ranks as one of the strong and prominent men in Illinois, a citizen in whom the people of this county can and do take pride.

In accepting the handsome emblem Lieut. Farrell voiced the appreciation of every man in the company for Mr. Russell's generosity and he mentioned that the interest shown by Mr. Russell and his liberality had been of great aid in forming the organization. He declared too, that only the fact of the age limit as provided by the statute prevented Mr. Russell from holding membership in the company. When he had declared that the officers and men alike would cherish the flag and ever follow it in the pathway of duty, the lieutenant also suggested that Co. C. would be proud to bear that flag in an inaugural parade when Mr. Russell had been chosen governor of the state.

YANKS GETTING HEP TO LATEST FIGHTING STUNTS

Learn Much From Greater Experience of British

AMERICAN HEADQUARTERS ON THE BRITISH FRONT, Friday, May 24.—By the Associated Press.—The work of the new American army in France is going on with the greatest vigor in all weathers, under the hot sun and along dusty roads, and in the drenching rain thru the French mud, the sticking qualities of which the Americans have quickly learned.

The British officers, commissioned and non-commissioned who are instructing the troops are working quite as hard as their pupils and are finding the new men, the "Yanks" as they generally call them as keen as were the earlier arrivals.

"They are quite up to it," was the verdict of a kilted Scotch chief instructor regarding the Americans in his class. The field schools, now largely given over to American pupils represent the highest perfection in institutions on the British front. The trenches, the targets, the tactics and the methods of instruction are the latest developments of actual fighting experience. In every area where the units of the new army are quartered the men are mingling freely with the Tommies and are learning much from the greater experience of the British. The latter, so prone to give a familiar name to everything were puzzled as to how to deal with the newcomers, but they finally fell back on the appellation "Yank" which threatens in this zone at least to be fixed on the Americans whether they like it or not. Thus far there have been no objections.

No Mention of Run Drive. Washington, May 27.—General Pershing's communique issued tonight by the war department makes no mention of a general renewal of the German drive, but says after violent artillery preparation enemy infantry today penetrated advanced American positions in "readily" in two points, only to be driven out by counter attacks in which Americans entered the enemy lines.

The statement also tells of the repulse of a strong hostile raiding party in the Woevre sector, of hostile gas shell bombardments in Lorraine and of the downing of a German airplane by American aviators.

The communique dated today at expeditionary headquarters follows:

"In Picardy after violent artillery preparation hostile infantry detachments succeeded in penetrating our advanced positions in two points. Our troops counter-attacked completely expelling the enemy and entering his lines. "In the Woevre a strong hostile raiding party was repulsed (with losses) in killed and wounded. "In Lorraine hostile gas shell bombardments of some intensive occurred. The day was quiet in other sectors occupied by our troops. "In the course of air combats this morning our aviators shot down a hostile machine."

RED CROSS SUBSCRIPTIONS.

A subscription of \$15 was added yesterday by J. L. Tindall to the Alexander list. The subscription of Manuel Day was \$25 and not \$25 as it appeared in print. Mr. and Mrs. Charles Souza should have been credited with a subscription of \$12 instead of \$2. Unity Grove Camp M. W. A. 132 added \$10 to the fund. Miss Mary Rhoads should have been credited with \$30 instead of \$20. A special subscription of five dollars credited to Norman Kuykendall should have been credited to third ward workers.

NOTICE TO MINISTERS.

Owing to overlapping of ministers and official boards with other organizations, that section of Decoration Day parade has been annulled, ministers please take notice.

Mr. and Mrs. L. O. Vaught, Dr. and Mrs. J. G. Ames and Dr. Grace Doney were Sunday guests at the home of Mrs. C. Duer near Davenport.

Farewell to Serg. Wayman.

Serg. Matthew Wayman of the Canadian army was present by invitation to give the company a farewell word. He spoke briefly of the duty of men in military organizations, whether in the militia or in the regular army, and said that the same ideals of service should prevail. With men in the army their forcefulness is measured by the support of the people at home. It is the people behind the army that makes the army strong.

The sergeant was given loud applause and as a mark of honor residence of E. E. Crabtree and then acted as an escort for Serg. Wayman to the Washburn station. The company stood at attention and waved farewell as this Canadian war hero, who has done so much to make the Red Cross campaign here a success, started on his journey to Washington.

GREAT COMPANY AT SOLDIER'S FUNERAL

Kenneth Skeens Who Died at Camp Taylor Buried at Franklin With Military Honors.

The funeral services for Private Kenneth Skeens of the U. S. army, held at Franklin Sunday afternoon, were very impressive. The services at the Methodist church were in charge of Rev. W. E. Keenan, the pastor. The funeral was one of the largest ever held in Franklin and not one half of the people were able to gain admission to the church. The deceased soldier, who passed away at the base hospital at Camp Taylor, was buried with military honors. The flag of the United States covered his casket, soldiers of the regular army were honorary bearers and fifty five members of Co. C, Illinois national guard, of this city, under command of Lieutenants Wesley James and Felix E. Farrell, followed the casket.

The burial service of the army was carried out at the beautiful Franklin cemetery, a squad from Co. C, fired three volleys and great honors were rendered by B. D. Burdick, Co. C musician. The remains were accompanied from the Skeens home to the church by the Waverly band and the militia company, the members of the company standing at attention as the casket was borne into the church, the band playing an appropriate hymn. Rev. Father Smith, pastor of the Catholic church of Franklin, sat on the platform with the Methodist clergyman. Members of the church choir sang several selections.

Before beginning his excellent discourse Rev. Mr. Keenan read a letter from J. A. Ellis, chaplain at the base hospital at Camp Taylor, in which the chaplain told of his visits to the bedside of Mr. Skeens in the hospital and the indication given by the dying soldier of his readiness to go and his assurance as to the future.

Rev. Mr. Keenan took as his text words from the epistle James, "What is Your Life?" and paid special tribute to the fine spirit shown by this young man, who tho he had not taken part in any battle, had nevertheless sacrificed his life for the cause of his country and of liberty, just as truly as any soldiers in the service. The minister drew an appropriate lesson from this life of service and sacrifice and from the scripture passages brought much of comfort to the sorrowing relatives and friends. He impressed too, the great lesson for the living which could be found in the going of this young life. Rev. Mr. Keenan read the following obituary notice.

Kenneth Vernon Skeens, son of W. M. and Clara Skeens, was born in Franklin, Ill., Feb. 18, 1892, and died at the base hospital of the U. S. military forces at Camp Taylor, Louisville, Ky., May 22, 1918, aged 26 years, 3 months and 4 days.

He was reared in this community, and thru his boyhood years manifested a special talent for mechanics which developed until he became known as a skillful expert, and he was frequently called upon to undertake difficult mechanical jobs which had baffled the ordinary worker.

When Morgan county was called upon to send its first contingent of the first draft quota, to Camp Taylor, he had the honor of being one of the six men selected to entrain on Sept. 5, 1917 the county draft board choosing him largely on account of his mechanical ability.

At Camp Taylor this ability soon attracted notice and he was placed in charge of a motorcycle unit of the Third Field Hospital of the 309th Sanitary Train, keeping several machines in running order and acting as a courier for the officers.

He went to camp cheerfully and was a tireless and willing worker, always ready to respond to orders. His duties naturally brought him in contact with many officers and men, and he became a favorite among his acquaintances. His major general commanding, spoke of him as a man and soldier in words of praise and respect.

About six weeks ago he had an attack of mumps, and had barely recovered when he became troubled with rheumatism which affected his heart action. He was in and out of the hospital at intervals, and last Sunday took ill with double pneumonia which resulted in his death Wednesday afternoon.

He is survived by his parents and one sister, Sylvia, of Franklin, and one brother, Oliver of Beardstown, all of whom responded to a telegram received Tuesday and reached his bedside Wednesday morning, several

RED CROSS WAR FUND SWELLS TO \$144,000,000

Illinois Only State in Union Not Exceeding Quota

BULLETIN. NEW YORK, May 27.—The Atlantic Division comprising the states of New York, New Jersey and Connecticut not only gathered in its quota of \$35,000,000 for the second war fund of the American Red Cross but piled up a surplus of \$14,808,664, according to an official announcement made tonight. Of this \$49,808,664 New York contributed \$33,435,730. Late reports it is expected will swell the final totals.

WASHINGTON, May 27.—The American people answered Germany's renewal of the offensive on the western front today with an outpouring of more than thirty million more dollars swelling the American Red Cross second war fund to \$144,000,000. Reports still were coming in from some districts at mid-night, and the final total of the drive which ended today will not be known until tomorrow.

Greater New York which early in the night had reported only \$27,000,000, at mid-night had \$33,434,730. The Atlantic division outside of Greater New York and the Pennsylvania and Mountain divisions also reported substantial increases after first totals were made public.

The over subscription was much larger to the first \$100,000,000 fund last year and was believed by officials to have reflected the determination of the people of the nation to see that the Red Cross work, not alone among the American troops but among the civilians of France, should be extended.

Every Red Cross division expects the central and every state in the union except Illinois went over its quota. The central division lacked \$300,000 of reaching its \$13,800,000. Over subscriptions in Iowa, Nebraska, Wisconsin and Michigan could not offset the \$2,800,000 by which Illinois failed to achieve its \$8,000,000 goal.

Subscriptions by divisions and states as announced at headquarters here late tonight follow: Atlantic division, including Greater New York (\$42,750,000)—New York \$8,943,452. Great New York \$27,000,000; Connecticut \$3,311,600; New Jersey \$5,489,630.

Central Division (\$13,500,000) Illinois \$5,200,000 Iowa 1,500,000 Nebraska 1,300,000 Wisconsin 2,000,000 Michigan 3,500,000

URGES ENGLISH AS THE SOLE LANGUAGE

Colonel Roosevelt Addresses Great Throng at Des Moines—Also Spoke at Camp Dodge.

Des Moines, Iowa, May 27.—English was the language for schoolmen, newspapers and other usage in this country was urged by Theodore Roosevelt in an address on "Americanism" here tonight under the direction of the National Security League. The former president reiterated his contention for universal obligatory military training as a preparation for future wars and warned against those who declare there will be no war in the present conflict. Colonel Roosevelt pointed out "our duty to speed up the war and put it thru" and for "us to prepare ourselves that the peace we are to gain shall be a permanent gain for righteousness."

Nearly 100 veterans of the Civil War were among the crowd that packed the Coliseum and addressing his remarks to these men, the colonel likened those of "64 who declared" peace was more important than victory.

To the persons of today who desire an inconclusive peace, "We have put our hand to the plow," he shouted, "and we will never turn back until we have driven the furrow up to Berlin. Unless we knock out Germany, we will have to fight a war within the life-time of men now old, certainly within the time of those now young."

In voicing his approval of the recent proclamation by Governor Harding ordering that English be the only medium of instruction in public or private schools in Iowa, he said:

"This is a nation, not a polygot boarding house. There is not room in the country for any fifty American, but there can be but one loyalty—to the Stars and Stripes; one nationality—the American—and therefore only one language—the English language."

Mr. Roosevelt spoke briefly at the camp Dodge encampment at noon on the same general theme as his night address. He left for Chicago tonight. He speaks in Madison, Wis., tomorrow night.

F. M. Crabtree of White Hall was a Jacksonville visitor yesterday.

PEOPLE URGED TO CUT OUT USE OF WHEAT

Food Administration Suggests Until New Crop Comes in—Total Abstinence From Wheat Letter Read in the Churches.

In the churches of Jacksonville and Morgantown Sunday a special appeal for the saving of wheat issued by Herbert Hoover, food administrator, was read. The letters asked that the public refrain entirely from the use of wheat until the next crop is harvested. The letter were forwarded by the food administrator to M. F. Dunlap, county food administrator, who transmitted them to the ministers. The language of the letters follows:

The confidence of the United States Food Administration that the people of the country would respond enthusiastically and wholeheartedly upon presentation of the facts, to any necessary requests for reduction in consumption of food, has been fully justified. We have demonstrated our ability not only to think together but to act together. This response of the people is the reason for the present appeal.

Our work is not complete. In spite of the encouraging results of our efforts, in spite of the fact that our experts are constantly increasing and are approaching the minimum requirements abroad, the need for renewed devotion and effort is pressing. While all the requirements of the Food Administration should be constantly observed, there are certain matters which I desire to stress at this time.

In the case of meat and meat products the necessities for shipment abroad are very great. Whereas the Allied consumption has been reduced to an average of about 1 1/2 pounds per person per week, we are today enjoying an average of about 2 1/2 pounds per person per week. This division is inequitable. An understanding of these facts will justify our request that the consumption of all meats, including poultry, as nearly as possible be reduced to 2 pounds per person per week for four years of age.

In the case of sugar, we are embarrassed by the necessity of using ships to carry our soldiers and feeding the Allies, and in consequence we must use sugar with great economy. We must emphasize the importance of canning and preserving on a large scale among our people this summer and our available sugar must be conserved for this purpose.

But the situation with regard to wheat is the most serious in the food supply of the Allied World. If we are to satisfy the minimum wheat requirements of our armies and the Allies, and the suffering millions in the Allied countries, our consumption of wheat in the United States until the next harvest must be reduced to approximately one-third of normal. It is in this crisis, for each of us who can personally contribute to the relief of human suffering it is a privilege, not a sacrifice. All elements of our population cannot bear this burden equally. Those engaged in physical labor need a larger ration than those in sedentary occupations. Because of the constant daily employment of women and the lack of home baking facilities, many households in large urban centers require a food ration prepared, such as the baker's standard Victory bread loaf. Furthermore, we must constantly safeguard the special requirements of children and invalids.

To meet the situation abroad and to prevent serious suffering at home, it is imperative that all those whose circumstances permit shall abstain from wheat and wheat products in any form until the next harvest. It is realized and deeply appreciated that many organizations and some communities have already agreed to follow this plan.

It is hoped that you will communicate this to your organization and your community, urging those whose circumstances will permit, to join with us, and to join with us and take this stand.

HERBERT HOOVER.

SHOOTS AT SUBMARINE OFF VIRGINIA CAPES

Story of Master of British Steamer Is Discounted By Navy Department Officials.

Newport News, Va., May 27.—It was learned here tonight that the master of a British steamer which came into port last Wednesday reported that he had fired five shots at a submarine 150 miles off the Virginia Capes.

Probably Sighted Wreckage. Washington, May 27.—Navy department officials said tonight that there was nothing to indicate the presence of enemy submarines on this side of the Atlantic. They thought the British ship which reported at Newport News firing at a submarine 150 miles off the Virginia Capes probably had sighted a bit of wreckage or some other floating object.

M'ADOO ORDERS ALL PASSENGER FARES INCREASED

Many Changes and Readjustments Will Be Made

WASHINGTON, May 27.—Examination today of Director General McAdoo's order raising freight rates on a basis of 25 per cent and passenger fares to three cents a mile and abolishing all lower intra-state freight and passenger rates indicated the average increase will be higher than 25 per cent.

Many changes and readjustments will be made by the railroad administration on its own initiative after receiving suggestions from shippers and state or local authorities, or by order of the interstate commerce commission. This will not prevent the new rates from going into effect however, passenger fares on June 10 and freight rates on June 25, for the commission today gave approval, this action was perfunctory, and is not intended to cut off complaints and hearings. State railroad or rate commissions have no authority to change the rates, the railroad administrations holds, even the many provisions of the new order more than doubles the charge for short hauls within states. The director general today explained in a telegram to chairmen of state commissions, however, that he will welcome suggestions for readjustment of rates in intra-state traffic, and these will be referred to the interstate commerce commission for its consideration in passing on specific complaints.

Generally about a half of the result to result in hundreds of modifications affecting specific commodities or classes, and rates between certain communities but probably will not reduce to any great extent the total revenue to be derived from the sweeping increases which is estimated at from \$600,000,000 to \$900,000,000. Local excursion fares to summer resorts will be raised generally about twenty per cent. Long distance excursion rates in the east will be ten per cent less than the regular three cent rate. In the west these fares will be approximately twenty per cent above the existing low rates.

It was reported today that the commercial travelers' association would protest against the three cent passenger rate, which is from 10 to 20 per cent higher than present mileage rates. They will ask it was said for sale of mileage books at a lower rate on the ground that they are wholesale purchasers of mileage.

Railroad administration officials admit they hope to reduce unnecessary passenger travel by the higher rates and thus save facilities and labor for freight movement. Estimated of the amount of travel which may be curtailed ranged from ten to twenty per cent.

In line with Director General McAdoo's request for suggestions from state commissions for changes, protests are looked for particularly from the states having already well established rate systems. Among these are Wisconsin, Minnesota, Iowa, Nebraska, Kansas, Georgia, Oklahoma, Texas, Michigan, North Dakota, South Dakota, Oregon and Montana. Few eastern states have extensive intra-state rate systems.

PROBATE COURT.

John Longman as conservator of Cornelius Longman filed a report which was approved.

America is now playing the role of inspiration to the nations of the world—aside from the Kaiserites.

Exemption boards have a great job on their hands in enforcing the rule "work or fight."

American surgeons are already making a wonderful reputation for skillful work in the field hospitals.

Now is a great opportunity for settling the vexed question as to the most efficient plan of management—government or private ownership.

Neither the educated woman who committed murder, after wrecking the home of another woman or the heady horse doctor deserve sympathy. It is not a case that appeals to right thinking people.

In the Red Cross drive of the past week, one contribution stands out very prominently, and has led to the query "did only one fairly give more in proportion to wealth or income?"

The prospects are that Kansas will give to the world this year one hundred million bushels of wheat, and that it will be the largest crop in the history of that State. It will be worth some two hundred million dollars or about thirty two dollars an acre.

Lloyd George makes the statement that the American expeditionary force is only one-fifth the number of men that Germany was able to transfer to the western front after the Russian collapse. But United States forces are fresh and eager for the fray.

The new session law will be out in force at once, and if a German wants to kiss Uncle Sam he had better shut a secluded spot and whisper.

Rather than submit to conscription the people of Ireland are now talking a substitute and that is that Ireland raise its own army to consist entirely of Irishmen, and to enter the service as such. This would be commendable and would show a right spirit.

Persons not citizens of the United States are to be denied the right to vote for Representatives in Congress under an amendment to the Constitution proposed in a resolution introduced by Representative Edmund Platt of New York. At present the qualifications of voters are determined by the several States, and the only restriction in the Federal Constitution is that those voting for Congressmen "shall have the qualifications requisite for electors of the most numerous branch of the State legislature." Mr. Platt proposes to add the words, "provided that such electors shall be citizens of the United States."

SPOILED MEAT.

A Washington telegram tells of a case that is a pity. There is no law providing adequate punishment. If the charges are proven true the American people should remember the firms. The telegram says:

"Washington, May 27.—Sale of spoiled meat and other food products to the army, with knowledge that the food was unfit for human consumption is charged in complaints issued today by the federal trade commission against Morris and Co., and Wilson and Co., two of the five great packing corporations. It is alleged that thousands of pounds of unfit meat and chickens were sold to Camp Travis, Texas. Most of it was detected and condemned but it is said, some of it may have been passed and consumed."

THE DRY QUESTION.

Senator Jones of Washington has offered an amendment to the emergency agriculture bill, a provision that no beer nor wine be manufactured during the war. The effect of the amendment, if it is adopted, will be to make the nation "bone dry" until the Kaiser throws up the sponge. An amendment to the bill carrying appropriations for agricultural extension work, which already has received the approval of the house, prevents the use of the money until grain and fruits are withdrawn from manufacturers of alcoholic beverages. Under its provision, the question is left with President Wilson, who now has authority to take action with regard to this matter.

GERMAN TREATMENT OF PRISONERS.

Since it has apparently been the object of some British press organs to depreciate plain speaking on the subject of German atrocities during this war, the Daily News indulges in some quite strong language on the subject of German treatment of British prisoners. It remarks: "I can understand some of the restrictions which, according to the Italian Revista Neutica, are imposed by official order from Berlin on our unfortunate prisoners in Germany, but a lot of them are just stupid. Genetically, why may they not have 'sacks of anything that may be used as a pillow'? What object other than filthy savagery, can dictate the reduction of the water allowance to less than a quart a day per man for all purposes? And what is the meaning of forbidding them 'even the smallest' articles of furniture, including those made with their own hands?" "One" of these precious regulations enshrines the spirit of the whole," the Daily News continues. "All laughing, singing, whistling, gazing at the sky, friendly conversation or walking in couples is prohibited." It reminds me of the famous story told of a British journalist captive. He began to sing. "It is forbidden to sing," said his guard, sternly. He took to whistling. "It is forbidden to whistle," cried the guard. "Hallo, you, sir!" he shouted. "What you want?" demanded the guard. "May I make a buzzing noise?"

WAR VETERANS HEAR MEMORIAL SERMON

Members of Matt Starr Post G. A. R. and W. R. C. Hear Annual Memorial Sermon by Rev. F. B. Madden at Grace Church. Program of Special Music Given.

Again the memory of the soldier dead has been duly honored in our beautiful city and tributes of deserved praise given the defenders of the country who laid down their lives for freedom and right. In our happy land the members of Matt Starr Post G. A. R. and the Woman's Relief Corps were invited this year to Grace M. E. church where they marched in command of Capt. J. M. Swales. The church was fittingly decorated with flags and national colors and the visitors. The music throughout was grand and inspiring, and added much to the success of the occasion.

Rev. F. B. Madden read by request a letter appealing to all to save as much as possible in the consumption of wheat, meat and sugar but we might aid our brethren and the needy ones at home.

Of the excellent discourse only a very short outline is possible: "Comrades of the Women's Relief Corps and the Grand Army, I bid you a cordial welcome. You are truly an army. I put as much as I can and as I feel for you. I am not a soldier, but I am a man. They bore their part in the great conflict as bravely as did the men; they kept the fires burning at home; they cheered the soldiers and played and worked for the dear ones in the field and endured what only those who have had a similar experience can know.

A Hallowed Memory.
"A picture frequently seen depicts a mother saying goodbye to her son about to start for the front. The pathos of that picture moves every heart. We want to see victory full and complete in this hour of national peril. Today we hallow the memories of the noble dead who gave their lives for this nation might live all free and yet we cannot free our minds from the awful conflict which is now raging so great part of the world.

"Ours is not an aristocratic nation; we are not ruled by titled aristocrats; not by a Hun but by a living, Universal God. A God of infinite tenderness and love. Meeting organized by electing M. V. Kitzmiller, president and George Wolfe, vice president; secretaries, Wm. Dodds and Wm. Gamage.

DEATHS

Andrews.
Mrs. Joanna Andrews died at her home, 603 South Diamond street at 8:15 o'clock Sunday morning. Death resulted from an attack of pneumonia.

Mrs. Andrews was born in Funchal, Madeira, April 26, 1832 and came to America sixty-two years ago. She was united in marriage to A. J. Andrews in 1861. To this union one daughter was born, Mrs. A. L. McCollister who survives her. She also leaves two grandsons, Edward McCollister of this city and Sergeant A. A. McCollister of Camp Logan, Texas.

She was a member of Grace church and always took an active interest in religious work. She was devoted to her home and during her declining years she was given every care by her daughter.

Funeral services will be held from the residence this morning at 10 o'clock in charge of the Rev. F. B. Madden. Burial will be in Diamond Grove cemetery.

Kendrick.
Miss Margaret Kendrick, a former resident of this city died at a hospital in Springfield Sunday morning at 4:30 o'clock after an illness of several months.

Deceased was the daughter of the late Mr. and Mrs. T. J. Kendrick and was born and spent most of her life in this city. She attended the parochial school and later was a student at Mount College. She did not complete her work there but went to Springfield where she graduated from Sacred Heart academy.

She was the last member of her family, her father and mother and brother all preceding her in death. The brother died only a few months ago near Murrayville. For the past three years she had been employed as bookkeeper and cashier of the Kresge five and ten cent store in Springfield. She was compelled to give up her work because of illness several months ago.

Miss Kendrick was a young woman possessed of many admirable characteristics and won and held the esteem of a large circle of friends, her death coming at the beginning of life is peculiarly sad. She was a faithful member of the Church of Our Savior.

The remains arrived in the city Monday and were taken to the residence of Mrs. Thomas Conroy, 232 Pine street. Funeral services will be held from the Church of Our Savior at 7:30 o'clock this morning. Burial will be in Calvary cemetery.

Richards.

Thomas Richards died at his home, 746 West North street Sunday morning at 3 o'clock of a complication of diseases. He was born in London, England, June 1, 1852 and came to the United States when a young man. He was united in marriage in 1887 to Miss Elizabeth Owens at Bluffs. Three children were born to this union, Nina May, Margaret Ethel and Thomas Burton. The latter preceded him in death. He is also survived by brother, W. H. Richards and one sister, Mrs. Mary E. Richards, both of this city.

Mr. Richards was a member of Shiloh Methodist church and lived a consistent Christian life.

Funeral services will be held from Grace church this afternoon at 3 o'clock in charge of the Rev. F. B. Madden with burial in Ebenezer cemetery.

A SINGING SERVICE FOR THE BOYS

It has been suggested that there be a singing service for the boys who are to leave for camp Thursday and Rev. W. E. Collier has been asked to conduct it but as he is to make the memorial address at Arcadia at three that day he will hardly be able to get back on time.

MEMORIAL DAY OBSERVANCE

In order to properly show our reverence and appreciation of our worthy sires and ancestors of the past and that are still with us, who by service and sacrifice of their lives and property, made it possible for us to have the freedom and liberty we now enjoy.

In honor and recognition of the patriotic young men that have gone and who are rapidly answering the call to go, making it possible for us to continue to enjoy the freedom and liberty so long established, we as individuals and as a community should on Thursday May 30, 1918 decorate our homes and business houses in a patriotic display, closing all places and forms of business from 12 o'clock noon to 6 p. m., thereby enabling each person to take part in this demonstration.

And also to give a cheering send-off to the thirty new recruits that will leave on the Washburn train at 5:20 p. m.

H. J. Rodgers, Mayor.

BOARD OF EDUCATION IN ADJOURNED SESSION

Teachers Given a Bonus of Ten Per Cent of Salaries—Other Matters of Interest Discussed.

The Board of Education met last evening in adjourned session and transacted considerable business. A bonus of ten per cent will be added to each monthly pay check of teachers and other employees. Bids for removing the wreck of the high school will be asked for again. The vacation of parts of Court and Kosciuszko will be sought. Herbert E. Hopkins, principal of the Jerseyville high school, was elected to succeed Prof. Callahan head of the high school of this city. The list of high school graduates was certified to the board and diplomas ordered.

The Proceedings.
The board met in adjourned session with all present except Member Black who was called out of the city.

Member Rogerson for the finance committee reported that with careful economy and the omission of some anticipated improvements it would be practicable to grant each teacher, janitor or other employees a bonus check at the end of each month of ten per cent of the regular salary. This is not to be regarded as an increase in salary but a gift or bonus in consideration of the high prices caused by the war. The report was unanimously adopted so the teachers and all will get a ten per cent raise in a separate check in addition to the regular monthly pay check. The building and grounds committee reported the removal of the portable engine house for heating the David Prince building as it was no longer needed.

A lengthy desultory discussion followed regarding the removal of the ruins of the burned high school building. The building and grounds committee had held up the advertisement for bids in accordance with a suggestion from some of the members and the president as it was suggested that it would be better to have the contractor for the new building take the removal along with his contract.

Against this it was suggested that there would be too much delay. The boilers in the ruins may, and it is hoped will be available for use again and if so they must be gotten out very soon for it will be important to begin the erection of the boiler house so as to save it ready for next fall. Some members favored hiring the work done by the day the board to assume the risk of injury. Others thought it hardly wise to attempt the work in that way. Finally it was decided to have the secretary advertise for bids to be in by twelve noon, June third. Regarding the vacation of Court street and part of Kosciuszko the president said he had seen the member of the city council individually and a majority of them were favorable to whatever the board deemed necessary the board to take care of private interests whenever any are invaded.

The president was instructed to investigate the practicability of securing the vacation of Court street between Fayette and Kosciuszko and of Kosciuszko from State to Jordan and report at the earliest possible moment. The secretary was instructed to advertise for bids for supplying coal the coming year with 6 inch mesh or 1 1/2 screen. It was declared the sense of the board that the boiler house be placed as far west as possible.

The use of the David Prince building was granted for the county teachers' convention next week. It was suggested that the fire department had closed Court street between Fayette and Jordan at the time of the fire and it was decided to continue the closing and see that a red light is placed at each end.

The question regarding the time of starting the parade Thursday was raised. Member Hopper said he was glad to have the children march but he did object to having them wait in the street for an hour and the board was assured that the parade would start promptly at two and would probably be thru in 45 minutes.

High School Principal Selected

The selection of Herbert E. Hopkins, head of the Jerseyville schools as principal of the high school to succeed Mr. Callahan was announced.

Supt. Perrin said the gentleman had received his degrees at the University of Indiana and had considerable valuable experience in teaching. He was a married man with one child, a man of prepossessing appearance and one he felt would fill the bill the best of any available man. The selection was approved unanimously.

Supt. Perrin presented the list of high school graduates who have been approved by Principal Callahan and asked that diplomas be issued them and the request was granted. The following is the list:

Friends Surprise
Edward A. Litter.

Sunday noted the 38th birthday of Edward A. Litter, of the force at the clothing store of Tomlinson and his dutiful wife thought it proper to observe the day in an appropriate manner and also as a surprise to the gentleman himself. Accordingly she notified his relatives and hers in Litterberg and vicinity and when Mr. Litter returned home from church Sunday shortly after twelve he was astonished to see the house filled with guests. He soon took in the situation and proceeded to make all welcome as need be. A splendid dinner was enjoyed by all and the hours of the afternoon passed most pleasantly. Mr. Litter expects to be in the ranks not many moons hence and it was fitting that the birthday should thus be observed. Those present were Mr. and Mrs. J. A. Litter, Mr. and Mrs. H. O. Crum, Mr. and Mrs. O. E. Underbrink and three children, Mr. and Mrs. J. M. Crum, wife and two children, J. M. Annabel Crum.

Catarrh is a Real Enemy and Requires Vigorous Treatment

DO NOT NEGLECT IT

When you use medicated sprays, tonizers and douches for your catarrh, you may succeed in untopping the choked-up air passages for the time being, but this annoying condition returns, and you have to do the same thing over and over again.

Catarrh has never yet been cured by these local applications. Have you ever experienced any real benefit from such treatment? Throw these makeshift reme-

dies to the wind and get on the right treatment. Go to your drug store today, get a bottle of S. S. S. and commence a treatment that has been praised by sufferers for nearly half a century. S. S. S. gets right at the source of Catarrh, and forces from the blood the germs which cause the disease. You can obtain special medical advice regarding your own case without charge by writing to Medical Director, 22 Swift Laboratory, Atlanta, Ga.

U. J. HALE'S DEATH OCCURRED MONDAY

Well Known Resident Died Following Brief Illness—Funeral Wednesday With Burial at Athens.

The community was greatly saddened last night to learn of the sudden death of Urie J. Hale, a well known resident of the city. While Mr. Hale's health had not been rugged for the past year, his condition was not accounted a serious kind until comparatively recent days. A week ago he went to the hospital for an operation, which was performed Friday morning. It was realized at the time that his condition was very serious and no change for the better came. In fact, Monday he grew gradually worse until the end came at 5 o'clock.

Mr. Hale was born at Athens, Ill., and was the son of Mr. and Mrs. Alexander Hale, long time residents there. He was married to Miss Le Kincaid June 14, 1893, and for a time their home was in Menard county. More than fifteen years ago they became residents of Jacksonville and Mr. Hale has been identified with the business interests in the city since that time. He engaged in the coal business in a successful way and by all who knew him was accounted a business man of the best type. He was a member of Central Christian church and served as an elder there for a number of years. He so lived that his daily conduct was an example to those about him. Few men associated with him in business Mr. Hale gave evidence of the highest standard of honesty and integrity. He had a spirit of fairness which won the esteem and regard of all those with whom he came in contact. A man of gentle heart and spirit he nevertheless was not lacking in forcefulness and was as rugged in his honesty as he was gentle in his life.

Mr. Hale was a member of Urania lodge No. 247, I. O. O. F. and was also identified with the Masonic order. He is also survived by his wife and one son, Thomas K. Hale. He leaves also the following sisters and brothers: Mrs. Nora Boyd, Athens; Mrs. Anna M. Evans, Idaho Falls, D. C. Hale, Peoria; Mrs. John E. Culver, Canton; A. N. Hale, Abingdon, Ill.; Mrs. T. N. Kucner, Peoria; Mrs. C. W. Holliday, Peoria; Misses Elizabeth and Margaret Hale of Springfield.

The remains were taken from the hospital to the Gillham undertaking rooms and thence to the residence, 654 South Diamond street. The funeral will be held Wednesday morning at 10:30 o'clock from the residence with the services in charge of Rev. M. L. Pontius. Burial will be at Athens.

HEAVY RAIN IN PIKE COUNTY

Dr. C. E. Black had a strenuous trip when he drove Monday to Brown county for consultation in a surgery case. He was at Perry Springs when overtaken by a terrific rain storm, but by using chains he was able to push on into Mt. Sterling and then to make the trip back. The other side of the river the roads are very heavy but this side comparatively little rain fell.

The Kaiser will be with us Decoration Day.

REQUEST TO DECORATE

FEW DROPS AND CORNS LIFT OUT

Sore corns, hard corns, soft corns or any kind of a corn can harmlessly be lifted right out with the fingers if you will apply directly upon the corn a few drops of Frezzone, says a Cincinnati authority.

It is claimed that at small cost one can get a quarter of an ounce of Frezzone at any drug store, which is sufficient to rid one's feet of callus without pain or soreness or the danger of infection.

This simple drug, while sticky, dries the moment it is applied and does not inflame or even irritate the surrounding tissue.

This announcement will interest many women here, for it is said that the present high-heeled footwear is putting corns on practically every woman's feet.—Adv.

THE SPIRIT THAT WINS
THEME OF W. R. LESLIE

Strong Sermon Delivered to Graduating Class of High School—Application to Tasks Only Road to Success.

Rev. W. R. Leslie, pastor of Centenary church, delivered the baccalaureate sermon to the graduating class of Jacksonville high school at Grace church Sunday evening.

There was a large congregation present and Mr. Leslie's effort was a most able one. He took his text from Numbers 13:30 and his subject was "The Spirit That Wins."

He drew a valuable lesson for the members of the class which if applied in life will lead to success. The members of the class assembled in the Sunday school rooms in the basement of the church and entered the auditorium in a body. They were followed by the members of the faculty.

A splendid musical program was given in conjunction with the services. Prof. H. V. Stearns of the College of Music of Illinois Woman's college gave an organ voluntary and the Procession "War March of the Priests" by Mendelssohn.

Rev. J. F. Langton, rector of Trinity church read the scriptures, Numbers 13:25-33. Hymn "Onward Christian Soldiers" was given by the congregation. Rev. F. B. Madden, pastor of Grace church gave the invocation. A quarter number "Sing Alleluia Forth" by Duck was given by Misses Scrimger and Kennedy and Messrs. Shoemaker and Robertson.

Following the sermon by Rev. Mr. Leslie, Miss Scrimger sang "My Task," by Ashland. The benediction was pronounced by Rev. W. W. Theobald.

Rev. Mr. Leslie took his text from Numbers 13:30: "Let us go up at once and possess it; for we are well."

The Spirit That Wins.

Text: Numbers 13:30. "Let us go up at once and possess it; for we are well able to overcome it."

School life endows one with a two-fold heritage, namely, discipline and inspiration. It is not good for either of these to be alone. Erudition without inspiration is like an automobile without a spark-plug. A violinist may have flawless technique, but if he lacks feeling we miss the contagious thrill of the real artist. The

playing may be as flawless as that of a hardy-gurdy or a gramophone, but it differs from heartfelt music as moon-light differs from sunlight. So a person may have a disciplined mind and yet lack the spirit that wins.

On the other hand, inspiration without discipline may lead to fanaticism, wasted energy or more violence. Undirected inspiration is like a barrel of gunpowder exploding haphazardly, hitting no target and accomplishing nothing except disturbance and destruction. While a cool head and a cold heart form an ineffective combination, a hot head coupled with a warm heart make a dangerous union. Discipline and inspiration are like the Siamese twins; they should not be put asunder. We need a cool head and a warm heart.

Spirit Essential of Success.

Our inquiry tonight relates not to the knowledge which a High school graduate should possess, but rather to the sort of temper or spirit which is necessary for the highest success. The hero whose virile words comprise our text embodies the spirit which won victories in ancient times and which wins in our day as well. Caleb was one of the twelve spies sent out by Moses to study the Promised Land and to report what they had found to the people of Israel. You young people have spent these past years as searchers in the fascinating realms of truth. What is your attitude now that you have returned from your quest? Are you fearful pessimistic, negative and lacking in decision of character as the ten cowardly spies who brought back a wail? Or are you like this brave fellow who stilled the people and gave them the stirring appeal of our text?

Let us analyze the spirit of Caleb as illustrated in this interesting story.

Ambition of Caleb.

1. His ambition. Caleb longed to inhabit the land which he had explored. First comes vision and then invasion. David Livingstone used to say, "The end of the exploration is the beginning of the enterprise." Those forty days had afforded Caleb just a glimpse of the land which he desired to enjoy as a permanent home. He was not contented to settle down in the wilderness. He aspired to dwell in that land which flowed with milk and honey.

How is it with you tonight, young people? Some graduates lie down on their sheep-skin and pray, "Now I lay me down to sleep." But those who have the spirit that wins offer this prayer at Commencement Time, "Now I rise and go to work. I pray Thee Lord I may not shrink; if I should die before tonight, I pray Thee Lord to keep me right." You have heard it said that ambition is the last infirmity of noble minds. My firm conviction is that a high ambition is the first impulse of noble eager souls.

Looking upon a huge architectural pile in Philadelphia a young man said, "I'll own a building like that some day." Ultimately that very structure became his. The lad was George W. Childs

who became the celebrated publisher and philanthropist. His youthful ambition led him to go up and possess the promised land of the ideal.

II. Caleb's heroism. He had a keen relish for opposition. Those giants only enhanced the fascination of the Promised Land. Caleb and his colleague Joshua enjoyed the shock and the challenge of manly warfare. "We are well able to overcome it." It is no child's play to be sure. But we are no longer children. Let us play the man. "So nigh is grandeur to our dust, so near is God to man; when duty whispers low, 'Thou must,' the youth replies, 'I can.'"

Must Triumph Over Obstacles.

Impossible is un-American. Would you find the Holy Grail? Would you attain the ideal character and success? Straight is the gate, and the narrow way is beset by ruffians. Do not expect grapes without giants. We must learn to triumph over obstacles and to say of the giants as our friend Caleb said, "They are nothing to us." It is said of Newell Dwight Hillis that he "eats work." Jesus lifted the cup which meant suffering and he gave thanks over it. Can we sing with that sublime optimism Robert Browning, "Then welcome each rebuff that turns earth's smoothness rough?"

III. Caleb's Altruism. Caleb thought in terms of his fellow men. His motive was not selfish. He longed to lead the entire congregation of Israel up to the rich land of figs, grapes and pomegranates. This is the spirit of the true graduate. He has been blessed; now he endeavors to be a blessing. He has received; now he longs to give.

One of the greatest words before us today is the word "service." I noticed in the "Crimson A," your excellent annual publication, that several of your class have already entered "the service." We honor them tonight; we honor on this Memorial Sunday the men who enlisted in the mighty conflict of the 60's. He who would be the greatest among you, let him be the servant of all.

Ideals of Patriotism.

This class entered High School in 1914 shortly after the war broke out. All thru your High school days you have heard the echoes of the terrific battles "over There." You have been imbued with ideals of chivalry, sacrifice and patriotism, which are so vital to our nation and to the great cause for which we are fighting. A selfish person is out of tune with this age. Altho it would be unwise for all of us to go to war, we can all exemplify the altruistic spirit and, like that inspirer on the parapet in the battle in France, we can all cheer the brave lads who are fighting in our stead. Let us spread an atmosphere of loyalty, courage and patriotism as the students of our State University who sing at the foot-ball or base ball games, "We're loyal to you, Illinois. We're orange and blue, Illinois. We'll back you to stand against the best in the land; for we know you have, and Illinois." With such a spirit of solid, unswerving

loyalty we may hasten the day when our young Calebs shall go up, drive out the giants of German autoacry, atrocity and tyranny and lead the nations up into the promised Land of Brotherhood, Liberty and Perpetual Peace.

IV. Caleb's staunch faith in God. "He will bring us into this land and give it to us." Above the threatening enemies Caleb saw the chariots of fire. None of us can measure up to our best without faith. The spirit that wins reckons upon God Almighty. The soul that never prays becomes shallow or frivolous. Everything becomes new when the current of faith is turned on in the soul. Oh, let us foster our spiritual life. Let us stake our all upon the tremendous conviction that God's in His Heaven and that He is our Father. Donald Hankey who gave his life in the trenches of France gave us a strong definition of religion when he declared that true religion is "betting your life that there is a God."

Living in Sublime Age.

Members of the graduating class of the Jacksonville High school, we are assembled in your honor tonight. We are proud of our city schools and of you as the senior class, representing the finished product of our public school system.

You are graduating at an important time "in an age of ages," to be living is sublime." At such a time as this to be alive is glorious, but to be young is very heaven. May the spirit that wins be yours.

John Milton pictures Adam and Eve leaving the Garden of Eden. He says "The world was all before them where to choose their place of rest, and Providence their Guide."

You go forth, however, not as guilty culprits who have eaten the forbidden fruit and been expelled. You go forth next Friday night, leaving the beautiful paradise of high school life as honored graduates with the good wishes and congratulations of many scores of friends who believe in your worth and expect large achievements from your hand and brain.

Using Milton's words we may say to you tonight, "The world is all before you, where to choose your place of rest, but your place of toil, and Providence is your guide."

JACKSONVILLE DOES HONOR TO WAYMAN

Large Crowd Gathered in Grand Opera House Sunday Evening—Singing Addresses Made—Sergeant Wayman Presented with a Purse.

A grand note of triumph greeted the audience at the grand opera house Sunday night. The crowd, which filled the house to the top, was happy for the reason that the Red Cross week had ended. The crowd was happy for the reason that the Red Cross week had ended. The crowd was happy for the reason that the Red Cross week had ended.

Sergeant Wayman, E. E. Crabtree, P. Dunlap, Rev. W. E. Sponts, and all the workers of the week will have to lay in an extra supply of humility or their heads will be hopelessly swollen. The splendid decorations, so profuse, so artistically arranged and so patriotic, seemed a part of the spirit of the occasion. The liberty band added to the grandeur of the occasion. The veterans and Red Cross corps were heartily cheered as they marched in and took their seats.

The first part of the program was songs in which Rev. W. E. Sponts, who is proving himself an especially capable leader, took charge and in it he was grandly assisted by the Red Cross chorus from the Woman's College, America. "Keep the Home Fires Burning," "God Bless Our Noble Army," "The Hymn of the Republic," and others were sung with a will.

"I suffered for years with stomach trouble and gas continually. Doctors thought I had stomach ulcer or cancer. After last attack they advised going to Rochester, Minn., for an operation. A friend advised trying Mayr's Wonderful Remedy, which I did, and I cannot now eat anything and everything. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Cover & Shreve, East Side Drug Store.—Adv.

LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion at home for a few cents. Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white. Shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage his sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear soft and white the skin becomes. Best! It is harmless.—Adv.

many of German birth or descent and I am sure that fully 95 per cent of them are truly loyal and I have all respect for them but for the others only the most withering and utter contempt. Sergeant Wayman has brought a line of demarcation; the pro-German on one side and the loyal on the other.

When I was in St. Louis recently they asked me where my home was and I said Jacksonville and they at once exclaimed, "Oh yes, that's where Mr. Crabtree lives." I found our city had gained great renown by being the residence place of our illustrious young banker. You all know how grandly he has done his work through the district assigned him and his great services have caused him to receive special recognition from the federal government. He is one of the grand dominant figures in our great campaign and we have only words of love and respect for him. I have the pleasure of presenting him to you.

E. E. Crabtree.

Mr. Crabtree was almost overcome when he rose to respond. He said: Of course it is pleasant to receive words of commendation from my fellow citizens but I feel unworthy of the praise bestowed on me by the last speaker. We should all do our duty as we see it. I have made mistakes, plenty of them, but I am always ready to admit them and try to correct them after.

Our campaign has been splendidly educational and it is grandly educational to our country that it has raised 200 per cent of what was asked, more than \$70,000. We need all the money and it will be well used. Some gave generously, too much so; some not so much and some sparingly and some not at all. We hope some time to bring the fight of day to the light in our midst. The next campaign will be for the army. Y. M. C. A.

Thanks are due to the splendid corps of solicitors who did such good work; to them belongs the glory of the campaign. We want to thank all who helped to make the campaign a success. The success of this moment is largely due to chairman, Mr. Dunlap, who gave so generously himself, and whose splendid genius and managing ability carried it thru to such a grand termination.

M. F. Dunlap spoke next.

As chairman of this movement I feel I selected the man who has made it a success. We do not have to look to France for hand-some men for we have one right here, Mr. Crabtree, who has done such fine work. It was he who secured the aid of Sgt. Wayman, and we have learned to love him so much I wish we could keep him here. We have had a fine campaign but while the \$70,000 is fine, even more valuable than that is the patriotic sentiment the campaign has engendered.

The German emperor said he would eat breakfast in Paris by April first. He thought that in our country there would be a domestic rebellion for his benefit but he was mistaken. The time will come when the German kaiser will atone for his ruthless cruelty; his sinking of hospital ships and bombing of hospital camps, and all his deeds of devilry.

We must conserve food and try to see how little flour will do us. I have six pounds in my house and when that is gone no more till harvest.

Dr. J. R. Harker came next.

He said, I have only been able to work two days in this campaign. I was obliged to be away till Friday morning. The people can do whatever they please when they get together. We have learned the value of combined effort. The told us it couldn't be done but we did.

Jacksonville will continue to do more and more than ever. And now let me say right here that I pray and believe we shall go over the top in our water works election, and redeem our town from the stigma of a waterless city. We love Sgt. Wayman for he is a great orator and we have not had his equal since the meetings of Billy Sunday. He went down even to Meredosia where I had failed to get money and you know that when that happens people are pretty close but the sergeant got them to give generously.

THE APPRECIATED GIFT

For a graduation present there is nothing you could give that would be more appreciated than a Conklin Self Filling Fountain Pen. Every time we sell this pen we assure you that it gives us as much pleasure as it does the customer, for we have never been able to find a pen that gives such uniform satisfaction and high quality service as the Conklin does.

\$2.50 to \$5.00. We have other makes of pens from \$1.00 to \$5.00.

The chair next introduced with highly complimentary words.

Rev. W. E. Sponts, who said:

When I was ready to come to Jacksonville seven years ago they told me they thought only crazy people went there but now I say that only people of good sense come to such a place as this. Like others, I have come to love Sgt. Wayman and I am satisfied that we may rightly credit him with \$35,000 of the \$70,000 raised. He served his country 29 months in the trenches and he came to us without any charge and now without his knowledge or request I want to secure for him a purse as a token of our appreciation.

A purse for Sgt. Wayman.

The request met with a hearty response and while the hats were being passed the band played "For He's a Jolly Good Fellow" and other airs.

As the sergeant appeared blushing at the suggestion of Mr. Crabtree the audience rose and cheered the gallant soldier.

Sgt. Wayman.

This has truly been the banner week of my life. There are truly some things worth living for. Grand things have been accomplished by the Red Cross organization and the co-operation of the United States and the United States have forgotten the border line between them. All boundaries, creeds and jealousies are forgotten. Morgan county has been grandly placed at the head and the boys away over in France will be heartened and encouraged by it. I am a better man than I was a week ago and I think many in the county are better.

When I spoke in Concord today I said the precinct had done its part but I would like to receive anything any one felt he ought to give and \$1385 came in a few minutes. In Alexander the quota of \$1500 was swelled to \$3300; Franklin gave \$4200 and it went on. So from this awful war some good will come. Germany will never be able to conquer such a land as this. (Loud and long applause.)

F. E. Farrell was then introduced. He said:

Sgt. Wayman came here 299 hours ago and he has been at my house and we have not been asleep. He has taught me to be a better man. I love him and am like hosts of others who do the same thing.

Mr. Farrell then handed Sgt. Wayman a sack containing the contribution and in receiving it the brave man wiped his eyes and tried to express his thanks with a faltering voice.

Marie Hodges, a little girl from the State school for the blind, was then introduced and read from a Braille manuscript a token of great appreciation from the pupils and teachers of the school, telling how much they all enjoyed the visit and talk of the sergeant.

Present from Prof. Rayhill. Prof. Rayhill was then introduced and said in the British army where he served the sergeant major carried a cane. He had in his possession a very rare and valuable malacca cane which he took pleasure in presenting the sergeant who received it with thanks. Prof. Rayhill said he had fought under the same flag, the union jack. He had also proved his loyalty to his adopted land and carried the marks of his service.

"America" was then sung and the audience was dismissed with the benediction by Rev. R. B. Wilson.

ELKS IN PATRIOTIC SERVICE

Recently Jacksonville lodge No. 1127, of Englewood, N. J. The Elks of this lodge is only two miles from Camp Merritt and the lodge wrote to indicate that it felt a special obligation because of its proximity to this camp, from which so many soldiers speedily leave for service abroad. The letter was written for the purpose of asking that the lodge be notified of any Elks who are likely to pass thru the camp.

Members of the Jacksonville lodge were greatly interested yesterday in receiving information that the number of the Jacksonville lodge at Camp Merritt. The fact was immediately communicated to the Englewood lodge and it is very certain that he will immediately receive attention from the lodge. The spirit of the Englewood organization is well voiced in this paragraph from the letter.

It is needless to say that we want to do everything within our power for the convenience, comfort and happiness of every soldier Elks that is going across to fight on the other side, and who passes through this camp. Elks have some already, some of whom we have been able to entertain, but many others have been ignorant of the fact that there was an Elks lodge and club house close to the camp where the members would have been only too happy to provide for them in any way possible.

MATRIMONIAL

EARLIER-YECK

Joseph E. Parler of Arcville and Miss Blanche M. Yeck of Concord were united in marriage Monday evening at 8 o'clock at the home of the bride in Concord. The Rev. Myron L. Pontius officiated. Both are well known young people of their respective communities and have many friends who are wishing them many years of happiness.

VIEIRA-SEYMOUR

Andrew G. Vieira and Mrs. Myrtle Seymour Finn were united in marriage at the home of the bride's parents, Mr. and Mrs. Charles E. Seymour, 223 East Morgan street Saturday afternoon at 6 o'clock by the Rev. Myron L. Pontius pastor of Central Christian church. The groom is the son of the late Henry A. Vieira and has been an employee of J. Capps & Sons. The bride is a well known young woman of this city and has a large circle of friends who will unite in wishing her many years of married happiness. After a few days in Springfield they will make their home temporarily with the bride's parents.

Chairman Crabtree stated last night that the figures did not indicate the entire amount of the fund as it is known that there is more money to be reported from Concord, Woodson and Waverly and possibly from other precincts. It seems entirely probable that the fund will run to \$75,000. The headquarters are still open and persons who have not yet made subscriptions and desire to do so are requested to call at the office. The figures are of a very gratifying kind.

SCOTT COUNTY MEN LEAVE FOR CAMP

Thirty-One Men Left for Southern Camp Monday—St. Mark's Ladies Give Successful Supper—Other Winchester News.

Winchester, May 27.—Thirty-one Scott County men left this afternoon on a special train for Camp Shelby, Hattiesburg, Miss. The men were escorted to the station by the band and several hundred citizens from all parts of the county. The men were in charge of four orderlies with Jerry Cowick as chief orderly. The men who left were: Winchester, Orderly, John D. Kelly, Winchester. M. Mehrhoff, Winchester, Captain. Elmer C. Hehrhoff, Winchester. Owen Stacey, Winchester. Pliny Trout, Glasgow. Leonard Six, Naples. Halpin Barton, Exeter. Frank Cowick, Winchester. Clay M. Evans, Bloomfield. Ray Planton, Naples. Lee Green, Naples. Earl Welch, Naples, Orderly. Jesse Bates, Bluffs. Claude Martin, Manchester. Glenn Sloan, Manchester. Henry Young, Glasgow. Ora Baker, Bluffs. Elmer Lankford, Bluffs. Frederick Cowick, Winchester. Harry DeBuck, Bluffs. Roland Funk, Ragston. Ray W. Walla, Winchester. Asa Owens, Manchester. Leonard Evans, Alsey. D. C. Cameron, Alsey. Harry Oraper, Bluffs. Fred C. Swanson, Axville. Elmer Stewart, Alsey, Orderly. William Welch, Naples. John R. Rawlings, Bozeman, Mont. The members of St. Mark's Catholic church gave a dinner in honor of the departing soldiers today. The ladies served an excellent repast and it was largely attended. In the evening they gave a supper to the public and the proceeds netted over \$30.

Mrs. J. L. Stone arrived Sunday from Minneapolis, Minn., or a visit with her mother, Mrs. Mary Fletcher. George Drummond residing south of Glasgow was taken to the State Hospital in Jacksonville Monday. F. H. Clark of Manchester was a business visitor in Winchester Monday.

Residents from Bluffs, Manchester, Exeter, Naples, Oxville and other points in the county were here today to bid farewell to the departing soldier boys. The pupils of the grade schools and the high school will enjoy a picnic in monument park tomorrow. The pupils sold tags today for the benefit of the play ground fund. The pupils of the third grade taught by Miss Floy Nelson had the high sales, their total being \$18. This was an admirable showing and the little ones worked hard to accomplish such a result.

Elmer Mason of Canton is visiting his parents Mr. and Mrs. Robert Mason.

Watch for the Kaiser in the parade Decoration Day.

DEATHS

GRIFFIN

Mrs. Alf Griffin of Nokomis, Ill., passed away at Materrest Sanatorium Monday evening after an illness of several weeks duration at the age of 58 years.

She is survived by her husband and two daughters, Mrs. Harrison D. Fischer of Nokomis, and Mrs. John Shoemaker of Nokomis. The husband will be remembered by a great many people in the northwestern part of the county, as he was born and raised in the vicinity of Literberry. Early in life he removed to Nokomis where he is now engaged in the banking business.

Mrs. Griffin was a faithful member of the Presbyterian church and an active worker in the church at Nokomis this morning where the funeral will be held. The remains will be taken to Nokomis.

ANNUAL CONCERT AT SCHOOL FOR BLIND.

The students of the State School for the blind gave their annual concert in the chapel of the school Monday evening. There was a large audience present and the various numbers were received with great enthusiasm. The work of each participant showed the result of careful training on the part of the members of the faculty. Special credit should be given to Mrs. Helen McDougall James head of the department of music for the success of the concert.

Patriotic songs interspersed the program in which the audience joined in singing the choruses. The Star Spangled Banner, Marseilles and others were given with great fervor. The chapel was tastefully decorated with flowers and the colors of the allied nations. The proceeds of the concert were \$117 which will be given to the Red Cross.

CARROLL

The funeral of Peter Carroll was held at the Church of Our Savior Saturday morning in charge of Reverend Father Formax. The flowers were cared for by friends. The bearers were John McGinnis, Peter Leonard, James Brown, Jerry Flynn, Larry Flynn, and James Cosgriff. There was a large attendance of friends as Mr. Carroll was widely known and greatly respected.

FOUR BANDS TO BE IN LINE MEMORIAL DAY

Meredosia Musical Organization Will Be Represented in Addition to Other Bands Already Announced.

All plans have been completed for the patriotic parade Memorial Day. County organizations are requested to note the fact that in the parade their location is unit No. 9, Prospect street. The committee chairman also announced that the Meredosia band will be here, making four bands in the line of march.

EXEMPTION BOARD NEWS

Les Conney, Fred Faugust, Otto Armistage and Fred Ross all of Jacksonville, will leave here Thursday morning for Camp Shelby, Hattiesburg, Miss. to make up the shortage in the last quota to leave Morgan county. Four men scheduled to go Saturday morning failed to appear. Two were excused on account of changes made in physical regulations, Truman Stewart of Franklin failed to appear and J. W. VanValzah of Jacksonville was taken ill and will report to the local board in ten days for re-examination.

In addition to the list already published it is probable that the following will leave Jacksonville Thursday for Fort Thomas, Ky.: Howard P. Joy, Chapin. Perrin W. Moore, Jacksonville. Oliver H. Wright, Franklin. Lester D. Cheeley, Decatur. David Brakeville, Meredosia.

George W. Hall of Alexander will leave for Jefferson Barracks Thursday morning.

Fancy socks in the 50c and 75c silks at Tomlinson's.

RECRUITING ORDER.

Sergeant Stirling, who is in charge of recruiting here, received a telegram yesterday indicating that men eligible for registration June 5 cannot be accepted or sent forward after June 2. This order has evidently been made to avoid the congestion which proved so disturbing last December. The telegram read:

"Men eligible for registration June 5 will not be accepted or forwarded after June 2. All enlistments must be completed before June 5. War department will not allow congestion at depots as occurred in December. Try to forward our men at the earliest possible date. Give widest publicity." Mitchell.

BOY INJURED BY HORSE

Leslie Nune, son of George Nune, was severely kicked by a horse Saturday. The animal's hoof struck him in a scintling way just above the right eye, inflicting a serious wound requiring five or six stitches. It is very much feared that the lad will lose the sight of his eye. Dr. W. P. Duncan attended him.

Camp Taylor, Louisville, Ky.—(Special)—All is not going to be work for the soldier boys at Camp Taylor. They are going to play and "lay hard." They are going to forget the monotony of barracks life with its drills and they will even forget the blisters of the last hike. All of the khaki-clad boys are going to get into the games and join in the contests and those who don't know how to play are being taught how, by men who have made mass playing a study.

A systematic course covering three weeks has been started, the object being to provide the soldiers with play leaders, or instructors, who will introduce games and develop the men physically as well as provide pastime.

Each unit in Camp Taylor is sending not less than five men to the nearest Y. M. C. A. building on Monday, Tuesday, Thursday and Friday afternoons to take the course. The Athletic Directors of the association will deliver addresses, lead in the games and teach these pupils how to lead others in clean, wholesome sports during their hours of duty.

These mass play, non-equipment games are especially adapted for overseas service as they can be indulged in wherever the camp happens to be established. The work at Camp Taylor is under the supervision of Y. M. C. A. Athletic Director Thomas Kelley, a Southern Illinois man, prominent in Chicago University athletics a few years ago. Among the games taught are: Three Ring, Prison Base, Relay Games, Hustle Ball, Swat Tag, Leap Frog, Indian Wrestle, Dodge Ball, Volley Ball and others.

Visiting Days at Camp.

In view of the fact that thousands of people from Kentucky, Indiana, Illinois and Ohio, will visit Camp Taylor in the next few months it is well to again call attention to the recent order permitting entrance to the camp only on visiting days—Wednesdays from 1 to 5 p. m., Saturdays from 1 to 5 p. m. and Sundays from 9 a. m. to 5 p. m.

Many people are turned away daily because they are not aware that this order is rigidly enforced, and either have to return home without seeing their relatives or friends, or remaining over to the next visiting day.

For the convenience of visitors the Y. M. C. A. has published a map with a key to Camp Taylor, for free distribution. These can be secured in any of the Y. M. C. A. buildings or at the Hostess Home.

The Camp Taylor training grounds cover an area of several miles and the units making up Uncle Sam's fighting men are scattered throughout, some in their relatives or friends, or remaining over to the next visiting day.

Get a map and key when you come to Camp Taylor, but come on visiting days only—Wednesday, Saturday or Sunday.

Step Lively! Corns Quit with "Gets-It"

The Great Corn-Loosener of the Age. Never Fails. Painless.

Watch my step! What's the use! I go along "right side up" without "gets-It," the painless, off-like-a-banana-peel corn remover. I tried other ways galore, until I was blue

Corns Simply Can't Stop Us. We Use "Gets-It!"

In the face and red in the toes. No more for me. Use "Gets-It." It never fails. Touch any corn or callus with two drops of "Gets-It," and "gets-It!" does the rest. It's a relief to be able to stop cutting corns, making them bleed, wrapping them up like packages and using sticky tape and salves. It removes any corn clear and clean, leaving the toe as smooth as your skin. You can wear those new shoes without pain, dance and be frisky on your feet. It's great to use "Gets-It."

"Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Sold by E. Lawrence & Co., Chicago, Ill.

For sale by and recommended as the world's best corn remedy by Armstrong's Drug Stores, J. A. Obermeyer & Son, and Ludy-Davis Drug Company.—Adv.

the third inning at West Side park Sunday, the Indies came from behind in the fourth and fifth and scored five runs, enough to win. Just for good measure, however, they added another in the sixth, making the final score 6 to 3.

The visitors looked as good as any team that has been on the local diamond this season. They had a corking good pitcher in Feeney and a first class catcher in Brennan. Their infield also was fast, tho the players on both teams seemed to be affected from the extreme heat.

Cap Denny was the hitting star and landed hard on the ball every time up but the first try when he went out on strikes. Gillis and Kitchin also gathered two hits each.

Dick Wheeler was a busy man during the afternoon. Besides scoring a run, Wheeler stole two bases, made a sacrifice hit and a single. But it was in the fielding end of the game that he shown with brilliancy. He picked a line drive off of the bat of Casey and doubled hard at second. Wheeler also reached in

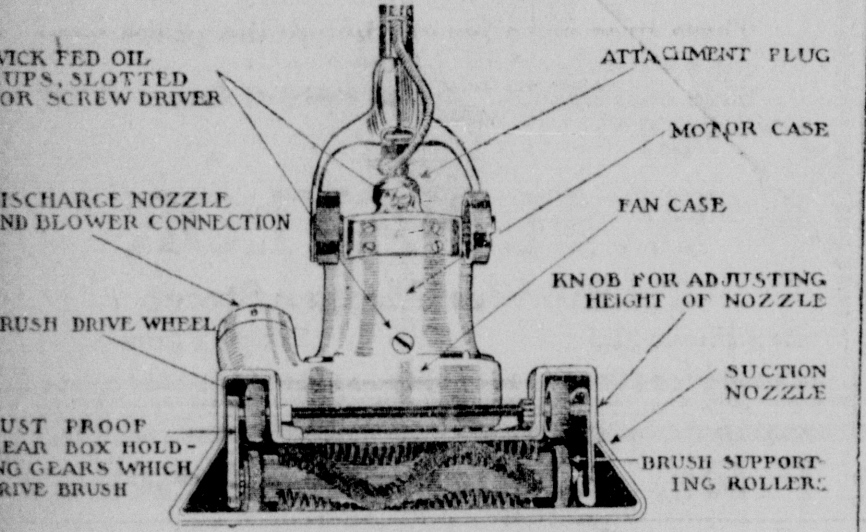

Make Your Kiddies Laugh

Children smile when they take Foley's Honey and Tar

1st. It tastes good. 2nd. It makes them feel good. It will turn a feverish, fretful, coughing child into a happily smiling one. Because—It puts a healing, soothing coating on a feverish, inflamed, tickling throat. It helps snuffles and stuffy, wheezy breathing. It stops coughs quickly, and it wards off croup. It contains no opiates, does not upset a delicate stomach, and the last drop in the bottle is just as good as the first. Try it.

HOUSEHOLD SCIENCE CLUB OUTLINES WORK

Appropriate Subjects Selected for Year's Program—"Keep the Home Fires Burning" Is General Theme.

The Household Science club has outlined its work for the next year, beginning with the meeting of February and continuing thru May 1919. With great appropriateness the club has selected subjects under the general theme, "Keep the Home Fires Burning." The subjects to be discussed are all of a kind which have direct relation to the household. In other words, the club members are hewing straight to the line and their work is in accordance with the purposes and ideals of their organization. The topic for the monthly meetings will be as follows:

September.
What My Garden Has Meant to Me—Leader, Mrs. Jones, Hostess—Mrs. Elliott.

October.
Utilizing the Left Overs—Leader, Mrs. Rogers, Hostess—Mrs. Murphy.

November.
My Favorite Household Magazine—Leader, Mrs. Gray, Hostess, Mrs. Byrns.

January.
New Uses of Familiar Grains—Leader, Mrs. Guthrie, Hostess, Mrs. Woltman.

February.
New Grains and Vegetables—Leader, Mrs. Scott, Hostess, Mrs. Gillham.

March.
What the Government Does to Help the Housekeeper—Leader, Mrs. Landis, Hostess, Mrs. Putnam.

April.
Modern Machinery for the Home—Leader, Mrs. McMurphy, Hostess, Mrs. Davis.

May.
Why is a Vacation?—Leader, Mrs. Reeve, Hostess—Mrs. Reaugh.

NOTICE!

One percent of all our collections from our entire system for the month of May on all accounts made prior to May 1st, will be contributed to the RED CROSS. This contribution to go in the local Red Cross chapter where the collection is made. This is an opportune time to help the Red Cross, whose needs are more pressing than ever before on account of the number of soldiers that we are sending over the seas.

OBITUARY

Eugene Bradley Helliwell was born in Morgan county, near Franklin, Ill., March 14, 1894. The oldest child of Thomas and Edith Helliwell. On Friday morning May 17 he was killed by a horse resulting in his death Sunday morning following at Passavant hospital. Eugene was an earnest, obedient, affectionate boy—a helper and companion of his parents and to them his sudden going is a very heavy blow. Death at all times has its sadness but it is doubly so when it calls one so young and full of promise—with all of life's possibilities before him.

"Leaves have their time to fall. And flowers to wither at the North wind's breath And stars to set—but all. Thou has all seasons for thine own, O' Death."

His body was tenderly laid to rest in Ashby cemetery by the side of his little brother Ralph who preceded him in death in 1910. He leaves to mourn his going his father, mother and little brother Glenn, and a host of friends who do not grieve for him as dead, but as living in the Spirit Life, for—

"There is a land where beauty can not fade."

Nor sorrow dim the eye Where true love shall not droop nor be dismayed And none shall ever die."

JUNIOR RED CROSS IN FINE SHOWING

Every School in Jacksonville System Now an Auxiliary of American Red Cross.

Every school in the Jacksonville School system is now an Auxiliary of the American Red Cross organization. There are consequently nine building organizations within the system.

In order for a building to form a Junior Red Cross Association it is necessary that they enroll every pupil in attendance and have a fund equivalent to 25c for each. This fund is held by the Treasurer of the Auxiliary and is to be expended under the direction of the Chapter Chairman School committee in making war supplies such as the Junior Red Cross Division of the American Red Cross shall specify.

The following is a statement of the financial record of each Auxiliary, showing the funds raised which will be available for productive war work. High school, \$88.50; David Prince, \$62.50; Jefferson, \$69; Independence, \$75.00; Lafayette, \$75; Franklin, \$57; Morton, \$30; Washington, \$70; Josephine Milligan school, \$12. This makes a total of \$471.50, which will be expended by the various Auxiliaries in the city during the next school year for materials to make up in war supplies.

This campaign has been carried on simultaneously with the American Red Cross drive and has reached the homes of every child in the school system. The work has been carried on quietly so as not to interfere with the work of the regular drive, but it has been very effective.

During this spring and early next fall, Junior Red Cross Societies will be encouraged in every school in Morgan county, the purpose being twofold; first, to spread American propaganda during the war and to reach the homes thru the children; second to produce actual war necessities which will be sent to the soldiers at the front. Supt. Percin, Chairman Chapter School Committee, will present this matter to the County teachers at the annual institute next week and undoubtedly the national plan will meet with the hearty support of every teacher.

COUNCIL DISCUSSES PROBLEM OF SALARIES

Resolution Introduced Providing Increase in Salary of Light Plant Superintendent—Water Works Improvement Ordinance Given Second Reading.

At the meeting of the city council Monday morning the ordinance was given a second reading calling a special election on the question of issuance of water works improvement bonds. This election will be held Tuesday, June 18. At that time the people will vote on the question of the issuance of \$75,000 worth of bonds. The ordinance appears in official form elsewhere in this paper.

A petition was filed by City scavengers asking an increase in ordinance rates, from 15 to 25c per cubic foot. This petition, filed by Sylvester Arbuckle, Levi Postley, Clay Clark, and A. Holt, was received and placed on file and referred to the department of public health and safety.

Commissioner Vasconcellos introduced a resolution providing for an increase in salary of George Stoldt, superintendent of the light plant, from \$105 per month to \$150. Mr. Vasconcellos said that unless the increase was given Mr. Stoldt would take a position which had been offered him elsewhere. Mr. Vasconcellos went on to say that it would be very difficult to replace Mr. Stoldt and furthermore, that as superintendent of the department he had for months past been doing lineman's work in addition to his own and had thus in addition to being superintendent had filled a position which has previously required the payment of a salary of \$65. Retaining such a man, the commissioner said, was really an economy. All the commissioners voted in favor of the resolution but it was not until Mr. Widmayer had referred to the excellent and necessary service performed by R. L. Pratt, city clerk, at a less salary than some men in the city's employ are receiving for manual labor. He said that Mr. Pratt's knowledge of his work and his ability justified a higher salary and he thought something should be done in this regard.

Mr. Cox referred also to the necessity of paying more money for some employees in his department if the city hopes to keep them. Mr. Martin said he had no special request to make at this time but that men in his department are working seven days a week and that on an average of 24 hours a day their presence was required in the fire department.

It seemed to be the general understanding that something further will have to be done in this matter of salaries if the city keeps its employees. Mayor Rodgers declared that the situation seemed to be that a great many people here were good to every cause and to everything except their own home city. He said that it was very certain that eventually higher taxes would be required to meet the expenses and that he had foreseen this situation and had done his best to secure this increased tax return. He mentioned to be that a great many people criticized on this ground but that he was well able to stand that criticism.

There was some further discussion of wages and salaries and the general lack of money to meet the city's expenses and the council then adjourned.

COLLEGE OF MUSIC

Last night in music hall, pupils in the College of Music offered an excellent program representing the work done during the year.

The young artists acquitted themselves universally with distinction and showed the excellent and careful training which they are receiving in the hands of the teachers.

No special number could be singled out above the others for excellence for all were of a high grade.

The program is subjoined:
Prelude in D major.....Chopin
Prelude in C minor.....Chopin
Bertha Walker
Aria from "La Tosca".....Puccini
Esther Kirk
Waltz in A flat.....Chopin
Estelle Harmon
"Alleluia" from Le Cid.....Massenet
Edith Kensil
Scene de Ballet.....de Beriot
Bernice Holmback
Lamentation.....Gulimant
Mary McGhee
Una voce poco fa.....Rossini
Merlin Terhune
Scene de Ballet.....Moszkowski
Evangeline Bishop
Mazurka.....Haesche
Suzanne Reinhardt
The Blind Girl's Song.....Ponchielli
Helen Norris

INFORMATION WANTED.

Thomas S. Knoles has received a letter from a pension attorney asking for Mrs. Annie Kimball the name and address of any person who knew her husband, Thomas Kimball, who resided in this city prior to 1884. Mr. Knoles says he remembers some persons of that name but not definitely enough to make an affidavit and any persons who may be able to do so will doubtless aid a worthy lady in getting her deserts from the government.

ROSS ABELL ON TRIAL IN CIRCUIT COURT

Must Answer Charge of Burglary and Larceny—Failure of Juror to Appear Brings Fine—Court Orders.

In the circuit court Monday the trial of Ross Abell, charged with burglary and larceny, began before Judge Jones. In this case defendant was alleged to have stolen a can of lard from the residence of Jacob Strawn northeast of the city and to have sold the same to Michael Shanahan. Abell's attorney is J. O. Priest and the state's case is in the hands of State's Attorney Carl E. Robinson, assisted by Judge M. T. Layman. The jurors hearing the case are A. J. Ruble, Melvin Henderson, J. H. Shibe, Henry Thies, D. B. Dudhope, Edward Spies, B. L. Gilpin, G. S. Beckman, J. W. Bryan, W. E. Mayfield, Joseph Launing, J. Richard Reynolds.

When a jury was being formed Judge Jones had occasion to severely reprimand H. E. Frye for failure to appear last week as a juror when his name was called. It seems that Mr. Frye went out of the city without being excused by the court. Judge Jones gave him a verbal reproof and imposed a fine of \$50 for contempt of court.

The following docket entries were made Monday:

W. C. Fleming et al vs J. R. Fleming et al, partition; decree for partition approved.

Elizabeth Davenport vs S. H. Davenport, divorce; John M. Butler withdraws as attorney for the defendant.

J. E. Barber and Grace Barber vs Ayers National bank and E. J. Henderson, bill to remove title cloud; rule on complainant to show cause by June 3 why cause should not be dismissed for failure to comply with previous order made.

Lucinda Kirby vs Annabel M. Farris, et al, partition; E. P. Brockhouse appointed guardian ad litem for minor defendants; default of adult defendants and cause referred.

J. W. Finch et al vs Belle Daley, partition; cause referred to master.
